Naizak PO# 010699_090 - Forevision - 90,422.00 USD.PDF
193 KB

Dear Islam,

We have handed over the PRS system at WASEA bulk plant as per the attach purchase order from Naizak.

Our scope is finished and the site acceptance document has been signed by the client for your perusal.

We request you to let us know the process to deliver the 20% last invoice for the attach PO so that we can close down the account.

Waiting to have your quick feedback.

Thanks & Regards,

Danish Khan
